Presented by:

**Lisa K. Ray, MS, ACADC, CS-D, PR-S**

Lisa K. Ray recently retired as Program Director for the B.A. in Addiction Studies Program at UCA with the Department of Health Sciences.

Participants can expect a 3-hr. webinar regarding the importance of clinical supervision along with discussing the impact of poor and great clinical supervision. A discussion of research, ethics, and fostering relationships with both clinical supervisors and supervisees.
